There is the known
and there is the unknown.
And what separates the two is
the door.

The 1982 Adelphic

It's as if life is a succession of
doors
choices
decisions —
we all must face them
sooner or later.
For us
it is our time
to face them.
In an aura of amazement
we stand
our eyes
wide
with curiosity
yet watery
from sorrow.
For it is our time to leave behind
those we grew with
learned with
shared with.
We stand on the threshold
of doors,
Rejoice,
We are victorious!

Adelphi . . . in the news

ADELPHI MEETS THE PRESIDENT!!! At first it was a rumor circulating throughout the hallways. Whispers and anticipations among the students when they came anywhere near Senior Robert Silvestri or Sophomore Rino Aprea. Little did these two cousins know that they would soon be celebrities!

It was a cold Saturday in New York City, when President Ronald Reagan went to the famous Angelo's of Mulberry Street owned by the Silvestri and Aprea families. It was truly an exciting event for Adelphi parents, students and trustees. Adelphi families tuned into the national news programs and could view our very own Adelphi family. The President enjoyed excellent Italian cuisine at New York's oldest Italian Restaurant/landmark.

What an honor it was for the Silvestri and Aprea families and for all of the families of *Adelphi*, another great landmark!

March 14 was the day the President visited Adelphi. When I spoke with Robert Silvestri about his feelings on the visit of the President, he conveyed to me feelings of deep honor and pride at being a host to our national leader. He said that the morale at the restaurant was incredible, and that people were flocking from all over, just to catch a glimpse of the man, in hopes to say that they saw him. Little Italy was bursting with enthusiasm, as people waited and watched from their windows, watching history. Being a part of history is something Angelo's of Mulberry Street will always remember.

Just as Robert said, he will always remember: standing in the home the Silvestri's have a chair in which the President was seated when he dined at the restaurant. A piece of history in the Silvestri house, and a memory for all Adelphians: The day Adelphi met the President.

Susannah S. Gould
Headmistress

The year 1982 has brought to Adelphi Academy a great deal of renovation and change: the Senior class of '82, and the very first Headmistress in Adelphi's history, Susannah S. Gould. Under the leadership of Ms. Gould, Adelphi continues to prosper, and we, the seniors of 1982, are recipients of this prosperity. We are about to embark on our journies to college and career. We are well-prepared and well equipped for the challenges that lie ahead of us. We, the Adelphi seniors of 1982, are ready to meet the world head on, for we are rich and cotious in knowledge and heritage.

"Knowledge is acquired when we succeed in fitting a new experience into the system of concepts based upon our old experiences. Understanding comes when we liberate ourselves from the old and so make possible a direct unmediated contact with the new, the mystery, moment by moment, of our existence."

— ALDOUS HUXLEY

Dedication

It is customary to dedicate a yearbook to an outstanding individual; we, the Class of 1982, wish to design our lives in the mold of this outstanding person. Understanding, insight and an unceasing willingness to help are her weak points. with friendship and loyalty reigning as her foremost assets. She has been a friend and confidante for our class and has given us all the benefit of her merit as teacher, providing experience and wisdom. She has provided her students with expertise in the languages, and her amazing ability to communicate, through her sense of humor and openness.

For me, personally, she has been guide and dear friend, one who is always willing to listen and provide support. And so, without further ado, it is with a great deal of love and respect, that:

The 1982 Student Council of Adelphi Academy has become amazingly successful in their attempts to boost student moral and create a pleasant social atmosphere for all Adelphians.

The Student Council opened the year with a bang at The Annual Christmas Party. The decorations were beautiful and the party, mighty festive! Everyone joined in on the fun and dancing to open up the Christmas season and start the New Year off on the right foot.

It is very important to have such an organization that the student body can become involved with. It helps us to grow and learn, while still in the boundaries of school, but in the midst of festivity.

Many thanks to Bob Gambale for being Faculty Rep., and to the Executive Members of the Student Council for all of their hard work and dedication to the student body.

Remember, there's still next year . . . get involved on your student council and make Adelphi a better place!!!

The Adelphi Baseball team had a season of tough breaks which tested their excellent play. At the end, we were 8-3, with one loss coming from a team Adelphi baseball players will remember for a long time.

When Adelphi played Browning it was a rivalry that one often reads about, but doesn't find in high school athletics. The first time we faced our arch enemies, we took a commanding win: 8-2. But, as irony will have it, Adelphi faced Browning in the finals at Columbia University, and this time Browning prevailed. The team took a tough defeat, but it was a game played by the pitchers, and a tough loss.

The season was an exciting one, and many thanks to the efforts of Mr. Bonanno and Mr. Richter for their expertise in the art of good sportsmanship and the game of baseball.

This year's Girl's Softball team was a spirited group led by Coach Angela Indelicato. Even though they didn't always win, they were always together in the effort.

Superb pitching by Bonnie Gold, a tight infield, and an observant outfield made for an up and coming team in the 80's. The girls have a great deal of promise, but the most important thing is that they are sportsmen, all the way. It is not winning, but the satisfaction of playing and trying that makes individuals.

The 1981 Soccer season was another successful one with a 5-3-1 record. Adelphi had its 3rd winning season since coach Les Finkelstein took over 3 years ago.

Robert Silvestri, 1981 Captain of the team, led them to a winning season. He contributed greatly to the team both offensively and defensively, supplying those needed goals at just the right moments. Reno Aprea, just two years on the team has already established himself as high scorer, and hopefully will continue to do so in the future. Besides the two top scorers, special praise has to go to Andrew Abare, playing goalie for Adelphi and filling in the shoes of last year's winning goalie, Mike Meringolo. Also on defense, were John Scala and Joe Zero providing strong play for the tough offenses the team faced all season. Special mention to Mark Silvestri, the youngest member of the team, and an up and coming superstar!

Many thanks to all of those who came down to Shore Road in the windiest weather. Also, helping coach Finkelstein this year, Adelphi was fortunate enough to have the expertise of Mr. Paris Avraamides as coach. Congratulations and let's repeat in '82!

volleyball

This year's Girl's Volleyball Team had an overall record of 7-4. The girls' performance was greatly improved over last year. Each game was played with more confidence and poise as the season progressed. The team was led by Capt. Diane Blum who scored 153 points and Janice Croce, whose constant swan dives on the court held the team together at the most crucial times. Other top scorers were Senior, Dina Curreri, with 83 points and Sophomore, Chante Simmons, with 60. Cathy Canade scored 32 and Lisa and Tracey Swift both scored 26.

The highlight of the season came at Adelphi's Second Annual Volleyball Tournament. Adelphi won the tourney!!! They defeated St. Bernadette 3 games to 2, in the semi-final, and then went on to defeat Berkeley 3 games to 1 in the finals.

It was a great season . . . Congratulations to the entire Volleyball Team!

This year was another tough season for the Girl's Basketball Team. This year the team was led by Senior Captains Diane Blum and Dina Curreri whose constant battles under the boards gave the girls confidence and that winning desire. Next year the girls hope to improve, being that we are only losing three seniors this year. It is an up and coming team — and with a great deal of hard work and dedication the girls hope to secure solid standing in the annals of private school girl's basketball.

To a team that really hung in there and stuck it out when the going got ROUGH, congratulations!

In the tradition of Adelphi Cheerleaders, this year's group started the season with high hopes and great morale. We got everyone psyched up and the team ready for action. With a great deal of practice, and an incredible amount of hard work and time, we made our very first appearance on Alumni nite. From then on, it's smooth sailing.

The goal of cheerleading is to inspire our team, and our crowd, while at the same time being a member of a very special team: one that works to create a mood of excitement and pep, just as we did when we had Adelphi's very first Pep Rally in Assembly. With Rowdie as our special guest, we got the entire assembly going, cheering and clapping. It was a wonderful display of school support and enthusiasm. The Cheerleaders of '82 hope that the squads in the future will continue this display of school support until everyone is involved and enjoying it!!!

Coach Les Finkelstein received his 100th win in seven years at the Kingswood Tournament, in West Hartford, Connecticut. Coach Finkelstein has 100 wins and only 42 losses which makes him one of the top coaches percentage wise in New York City.

At the Kingswood Invitational, the Panthers defeated Taft in double overtime, and went on to beat Suffield in the Championship Finals. Led by Junior Jimmy Rosario, who received the Most Valuable Player, and David Grazi and Tyrone Caldwell (named to All Tournament), the team started the season off with a blast!

The team is well rounded, led by senior Tyrone Caldwell; he is probably the best all-around player Adelphi has seen in many years. Jimmy Rosario and Phil DeMartino handle the backcourt duties, David Grazi and Robert Silvestri handle the front. Newcomer Ian Russell and an up and coming new prospect, Billy Blinka, are players to look forward to in the future. Steve Vasilakos is a quick guard, who played J.V. last year with Harry Liapes and John Risitano — these players help to round out the squad.

The team is on an upswing with the defeat of Martin Luther (39-37), and with the defeat of Our Savior Lutheran, the State Champions, (79-69). We look forward to winning the State Championship for private schools and taking the trip to Glenn Falls, New York. Team, Coach Fink is COUNTING on it!!!

Don't look back — a new day is breakin' It's been too long
since I felt this way
I don't mind where I get taken the road is callin' —
today is the day

I can see it took so long to realize I'm much too strong
not to compromise
Now I see what I am is holding me down, I'll turn it around

I finally see the dawn arrivin' I see beyond the road I'm drivin'
Far away and left behind

It's a new horizon and I'm awakin' now I see myself in a brand
new way
The sun is shinin' — the clouds are breakin' cause I can't lose
now there's no game to play

I can tell there's no more time left to criticize I've seen
what I could not recognize
Everything in my life was leading me on But I can be strong

I finally see the dawn arrivin' I see beyond the road I'm
drivin'
Far away and left behind

There's a train everyday
Leading me the way
There's a world you know
You've got a way's to go
And I'll soon be gone
It's just as well
This is my opening farewell.

Wisdom is the principal thing;
therefore, get wisdom: and with all
thy getting get understanding.

Prov. 4:7

He that walketh with wise men shall
be wise: but a companion of fools
shall be destroyed.

Prov. 13:20

Who is a wise man and endued with
